

Thistle Fabric

This unique design by SIMCOX features Scotland's national emblem, the Thistle, with a hint of baroque lyricism. A rich and luxurious evocation of the Scottish manor house, regal, sophisticated but still lively. Flavours of plum, heather, and salty sea air. Sensual, romantic and memorable. Grand, yet with the warmth and comfort of a BBC costume drama on a Sunday night. Fascinatingly the thistle is actually part of the sunflower family. Throughout Celtic regions the thistle represents bravery, devotion, durability, strength, and determination. A gorgeous designer upholstery fabric subtle for curtains and accessories as well.

SPECIAL NOTES

Our fabric is sold by the vertical metre.

We offer samples for all of our fabrics. Samples are A4 in size (21cm x 29.5cm) to show color and quality. We highly recommend purchasing a sample first to check colors. Please note our samples are pre-cut and intended for color matching purposes, so while they will contain all the colors of the pattern, they may not include full elements of the pattern.

Please note the vertical and horizontal repeats of the various patterns when calculating how many metres you'll need for your project. We recommend overestimating so you don't run out. All Milton & King fabrics are digitally printed on demand and, as a result, color variations may occur from batch to batch. Colors will also vary depending on the selected base cloth so please request a sample for a true representation. Trimming is available on request and at an additional cost.
