

BETHANY LINZ

Botanical Gardens Mural

Step into a serene and timeless oasis with the Botanical Gardens Mural, a reimagining of an original 18th-century illustration. Inspired by designer Bethany Linz's tranquil escapes to Sydney's Royal Botanic Garden, this mural features delicate foliage, manicured pathways, and elegantly dressed guests basking in the beauty of nature. Blending historical charm with modern sophistication, Botanical Gardens Mural transforms walls into a painterly retreat, perfect for creating interiors that exude grace and calm.

Designed as panels that are 129.92" (330cm) high x 24" (61.5cm) wide. This mural comes as a two roll set (ROLL A & B). Each roll comes with 3 panels. The horizontal pattern will repeat every 6 panels. Install all of ROLL A, followed by all of ROLL B.

Note: Samples are provided for review of the material, pattern scale and print technique—they are not intended to be used for color matching purposes. There can be slight shifts in color between runs, so your wallpaper may vary slightly from sample coloring.

Please ensure that you order the correct amount as we do not guarantee that rolls printed in different batches will be an exact match.
